

Stick to Truth until the error yields

June 5, 2020 | [21 comments](#)

“Stick to the truth of being in contradistinction to the error that life, substance, or intelligence can be in matter. Plead with an honest conviction of truth and a clear perception of the unchanging, unerring, and certain effect of divine Science. Then, if your fidelity is half equal to the truth of your plea, you will heal the sick.”

~ Mary Baker Eddy, Science and Health with Key to the Scriptures, p. 418

You're always sticking to something in thought, whether it's error or truth. Be sure to stick to Truth and not to error!

Argue on the side you wish to win. It brings the best results and the healing you seek.
