## Shabbat Shalom

Wishing you a Shabbat full of love, comfort and good health.

Our prayers are with our entire community as we join together to best ensure everyone's safety and wellbeing. We thank G-d for each moment each day, but especially on Shabbat, as we keep our elders especially close to our hearts.

May we all be thankful for each other, for Shalom Bayit, and our families.

*Kol Tov,*

*Rabbi Debbie Lefton*

## Grateful

As our nation prepared for the COVID-19 onset, our WHV staff rolled up their sleeves and got to work, putting safety measures in place and restructuring how we care for the residents we are honored to serve. But we didn't wait until the government alerts were announced, because we had proactively been doubling our sanitation efforts and reducing visitors before mandated to do so. And when we called on our residents and families for support, we were thrilled to see our concerns met with appreciation and willingness to sacrifice seeing your friends and families, parties and entertainers to help each other stay healthy and safe. We often say it is a privilege to do the work we do, but this week, working together with our residents, staff and families, it's truly been an unparalleled experience for me in my 23 years with WHV!

*Be well,*

*Chris Christian, WHV President & COO*

## THIS WEEK'S HIGHLIGHTS KEEPING SAFE

A number of changes have been made this week to assure social distancing and good health. Thank you to our supportive residents and creative staff!

- Creekside dining has moved to room service
- Spiritual gatherings suspended; shabbat kits provided to residents
- Visitors, vendors, volunteers and outside entertainment temporarily suspended
- All staff is health checked before each shift and residents are monitored for symptoms
- Awesome activities directors bringing creativity to keep our residents happy & healthy!
