The JCC of Greater Columbus is excited to begin slowly opening our doors to recreational areas beginning June 7th!

Phase 1: The following areas/programs will be available to members. No guests or visitors will be allowed. Each of these areas will have different hours, procedures and requirements to enable social distancing and sanitation.

- > Diamond Family Fitness Center (Cardio & Weight Equipment) by MindBody Reservation
- > Indoor Walking Track
- > Indoor Pool for Lap Swimming Only by MindBody Reservation and The Outdoor Pool is tentatively scheduled to open on June 15, 2020.
- > Tennis Courts by MindBody Reservation
- > Ann and Meyer z"l Weisman Virtual Golf Experience by MindBody Reservation
- > Table Tennis

Regardless of which recreational facility you plan to use, the JCC has implemented new protective equipment and sanitation policies for members and staff and a consistent process for reservations, arrival and check-in that will need to be completed by all members prior to accessing any of the aforementioned areas.
