The next couple weeks we will encourage everyone to stay home. The Coronavirus is spreading fast and it compromises the health of our youth and elderly. We are taught in scripture to obey the magistrates or government in Rom 13 . This is not viewed as an attack on religious freedoms, this is out of concern and safety of those in whom we love. Although live streaming is not considered as assembling, at least many of the Lords people can still hear a message and reflect on God's word.

Lord willing, Brother Jonathan will attempt a first time live stream this Sunday at 10:30 a.m. EST on the Old Carroll Primitive Baptist Church Facebook page to have a time of prayer, song, and a message from God's Word. Please lift up our communities, states, countries, and world in prayer especially the kingdom of our Dear Savior Jesus Christ.
