IKAR's 16<sup>th</sup>**

**This was an extraordinary year. IKAR rose to the challenge by engaging us from home via online services, minyanim, and learning. If any of us ever doubted the motivation of our community to organize, we each can be sure that not even a global pandemic can stop us. IKAR gave us hope and connection to one another even when we could not physically gather because we believed in keeping our community and other communities as safe as possible. Our national effort to develop a spiritual road map for soulful, multi-faith justice work, has become an international effort.**

**Party With Purpose, IKAR's Annual Fundraiser, is our largest event of the year celebrating IKAR's contributions to our community. We would be grateful if you would consider being a sponsor or donating to this event so we can continue our holy work for our community and beyond.**
