

A consciousness of Love protects you from the coronavirus

The coronavirus is not a material threat to a spiritual consciousness of Love, for Love dissolves the fear that would make the virus harmful. To create immunity to the coronavirus, it is in our best interest to demonstrate a consciousness overflowing with fearless Love!

The Psalmist gave us an indication of the kind of protection we can expect from walking through life with our Shepherd, the Christ Love, leading the way. He wrote,

Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me. [\(Psalm 23:4, NKJV\)](#).

To bring out the spiritual sense, Mary Baker Eddy inserted the word Love to this well-known verse. She wrote,

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for [LOVE] is with me; [LOVE'S] rod and [LOVE'S] staff they comfort me. [\(Science and Health, p. 578\)](#).

Love is God, the one and only omnipotent and omnipresent force for good that gives us life and health and preserves it for all eternity.

The Mind of Love is ever with us. Love ever watches out for us. Love keeps us safe from harm. With Love, no evil can touch you, no virus can harm you, no fear can dissuade you.

Work, live and think in a consciousness of abounding fearless Love! It's the safest place to be, and it creates immunity to the coronavirus.
