

To assist you in responding to the challenges that this crisis brings, the ministries of the Christian Reformed Church in North America are curating resources on key topics, and churches are using [The Network](#) to learn from and support each other. Don't see your topic listed below? Visit [The Network](#) to browse all topics, ask any questions, or add your own post to share your experience. Or use the chat tool and we'll try to assist.

Reopening Church Buildings

As you consider what's next for your church, we've collected resources from churches, classes, and others to help guide your conversations.

- [Helping Churches Discern Next Steps in COVID-19 Ministry](#)
- NEW: See below for ministry-specific resources.

Financial Support for Congregations

Churches across North America are facing financial challenges as they respond to COVID19. Support resources are available from the CRCNA, US and Canadian governments, legal and financial professionals, and charity support organizations.
