

Be still.

Be still, in God's name!

Be still.

In God's name, remember to love life!

Be still.

In God's name, remember.

To love life means to watch out!

Be still.

In God's name, remember.

To love life means to watch out for one another.

Be still.

In God's name, remember to love.

Life means to watch out for one another in kindness and generosity.

Be still.

In God's name, remember to love.

Life means to watch out for one another.

In kindness and generosity, share the Spirit of God.

Be still.

In God's name, remember to love.

Life means to watch out for one another in kindness and generosity.

Share the Spirit of God when fear arises.

Be still, in God's name!

Remember to love.

Life means to watch out for one another in kindness and generosity.

Share the Spirit of God.

When fear arises, lives are lost.

Be.

Still in God's name, remember to love.

Life means to watch out for one another.

In kindness and generosity, share the Spirit of God.

When fear arises, lives are lost until calm returns.

Be.

Still in God's name, remember to love.

Life means to watch out for one another in kindness and generosity.

Share the Spirit of God when fear arises.

Lives are lost until calm returns

And love enables us to still be in God.
