Subject: CAI Help With Vaccine Appointments
To:

Hi everyone. I hope you and your families are safe and healthy. I also hope that you survived the storm yesterday and are staying warm.

As you're hopefully aware, New Jersey is offering vaccines to people above a certain age and others who have particular medical conditions. Unfortunately, even if you're eligible for the vaccine, it's been very tough to get an appointment. If you are one of those individuals that has had trouble getting an appointment, the CAI Caring Committee would like to help. Please respond to this email with your name and best form of contact (email, phone). We will then connect you with someone that will assist you with getting an appointment.

If you have any other questions, please let me know.

Rachel Davis
CAI Caring Committee
