Dear members and Friends of Wisdom's Table,

After much consideration and discussion your Consistory has made the decision to follow the guidelines and recommendations of our Government and cancel worship services for the next two weeks. Our members health and safety is very important to us. Therefore there is to be no Wisdom's Table meetings, small group gatherings or worship from March 14th through March 22nd. The Consistory members will continue to monitor the situation and if changes are needed we will inform you via email.
