Reboot Ideas Presents - Technology In A Time of CO...

▶

Hear from acclaimed tech correspondent **Laurie Segall** and internet visionary **Aza Raskin**, as they unpack the present paradox of our unprecedented technological enslavement and forecast its implications on the future. Segall, a veteran tech correspondent who has interviewed tech leaders such as Mark Zuckerberg and Tim Cook joined Raskin, co-founder of the Center for Humane Technology and named FastCompany's Master of Design to examine the power of technological connection to enslave or liberate us. *What does next year in Jerusalem mean?*

Watch the full conversation here.

Event Recap

Reboot Ideas Presents The Interplay of Science and Ritual in a Time of Flux

Over the eons, our relationship to science and ritual has been inextricably linked to our understanding of our place in the universe. Join Emmy-award winning writer, producer Ann Druyan and her daughter, author Sasha Sagan in conversation with Boing Boing co-founder David Pescovitz to talk about emerging philosophies that can provide hope as we struggle to adjust to our new normal on Earth.
