Suggested amount is \$60-\$75 per child per session for canteen. They will be allowed to withdraw money for outside expenses such as haircuts. This amount has been reduced since there will be no outside trips this year.

To add money to your son's canteen account, please email the office at crosen@campbonim.com and specify the amount you would like to add. You will be invoiced for your specified amount which you can then pay online.

Please note that money sent up to camp with the boys will not be in their account when they arrive. Instead they will have to set up their account afterwards.

Additionally, we cannot guarantee the safety of money sent up to camp and kept in the bunkhouses.
