If you are an extrovert craving social stimulation, these may be lonely days. But just because you are confined to your home, that does not mean there are no causes to throw yourselves behind. If you are confident in your ability to rally people together, to inspire others to join you in an international spiritual revolution, then this is for you.

The Miracle Sefer Torah, endorsed by dozens of leaders from across the spectrum of the Jewish community, is a grassroots campaign aimed at uniting the entire Jewish world behind one Sefer Torah to elicit Hashem's miraculous curing of the world. More than 288,000 people have already joined this worldwide effort. But there is more work to be done.

When the letters uplift and illuminate.

The international Jewish community is writing a Sefer Torah in an effort to bring about a complete healing and salvation for our communities, and you are invited to participate!

The Miracle Sefer Torah is inspired by a directive of the Baal Shem Tov to his community when their city was being ravaged by a deadly and highly contagious virus. He recommended that they join together to write a Sefer Torah. As the Torah was inscribed, the community miraculously began to heal.

Yossi Meirchik (New York), was hospitalized with COVID - 19 and his condition was deteriorating. Feeling nervous and afraid he didn't know what he could do to improve his situation. His friend texted him asking if he could secure a letter for him and his family in the Miracle Sefer Torah. Yossi was touched by the gesture and told him "absolutely, please do!". Yossi relates "literally 20 minutes later the doctor came in and told me

that my numbers started to go down and things started to turn around." Inspired and hopeful, he then went on to secure a letter for his Jewish roommate as well. "I see with my eyes that it works and brings yeshuos. Nobody should need it, but for those that do, please participate."

In a few short weeks, over 260,000 Jews from around the world have secured letters that will represent them and their loved ones.

Currently, there are only 30,000 more opportunities to take part and be represented in the historic Miracle Sefer Torah.

Consider securing letters for you and your loved ones in the Miracle Sefer Torah, today! If you already have a letter, consider reaching out to family and friends so that they too can join in this special project and be protected by its z'chus.

Secure your letter with a symbolic monetary donation, as much as your heart desires (Suggested donation: \$2+).
