

## COVID-19 EMERGENCY: Sponsor Food Relief to the Quarantined for Corona Prevention - Masbia Soup Kitchen Network

**\$71465 raised**

Masbia increased the allowance of all food pantry clients to 14 days worth of food. A regular Masbia kosher food package includes food for 3 to 7 days worth of meals. Before Passover, we increase the package size to 6 to 10 days. Quarantined clients would need the package to be for 14 days.

- Quarantined individuals cannot pick up, and it needs to be delivered.
- If the 14 days will overlap Passover, that means we need KFP food.
- To be able to do this on a mass scale, it will need to be shelf stable, light packaging and no glass.
- Senior and kid friendly food, mostly ready to eat.

Amanda Ng, RDN, put together a perfect Emergency Food Relief package for the Quarantined for Corona Prevention. It will be 3 boxes per person, which will include  $3 \times 14 = 42$  meals. (In order not to add any anxiety, she didn't put everyone on diet. She made sure the meals are generously portioned.) It will cost us \$350 to deliver food per person.

**Masbia's initial goal is to raise \$350,000.00 and help 1,000 people.**

Meanwhile, with so many people out of work and children not getting breakfast and lunch at school, many are facing anxiety about not having enough food or a way to feed their families. They also need a higher volume of food, though they are not quarantined and can pick up their raw food packages.
