COVID-19 TESTING REQUIREMENTS

- All registered campers, staff and administration members/families should be tested for antibodies as soon as possible.
- **Those who test positive for antibodies:** You must submit positive antibody lab reports to TestResults@campbonim.com. No further testing is required before you come to camp.
- **Those who test negative for antibodies:** You are required to get a COVID-19 test 1 week before the start of camp. Self-isolate at home from the time of your test until the start of camp. This means if you plan to fly, you must do so before your test and subsequent self-isolation. You must send negative coronavirus test results to TestResults@campbonim.com.
- You will not be allowed into camp unless you test either positive for antibodies at any point before camp, or negative for COVID-19 within one week before the start of camp.
- All test results should be emailed to testresults@campbonim.com.
- AIRPLANE TRAVEL MUST OCCUR 1 WEEK PRIOR TO CAMP, FOLLOWED BY TESTING AND SELF-ISOLATION UNLESS YOU HAVE ANTIBODIES!
