

Welcome

Welcome to our website, and thank you for visiting. Little Vine Primitive Baptist Church is a small band of believers, united in the profession of God's sovereign grace in the finished work of Jesus Christ.

Please click on the links to learn more about our congregation and beliefs.

If a simple, Biblical worship service dedicated to God's glory, honor, and praise appeals to you, we warmly welcome you to come worship with us.

UPDATE: We are meeting together in person, with the added cautionary steps of:

1. staying within 25% of our capacity (so that we can have about 35 people there),
2. wearing facial coverings,
3. spreading out across the sanctuary (and kitchen and overflow area) to maintain social distancing,
4. foregoing the handshake, and
5. not having lunch at church.

While those restrictions won't have us completely "back to normal," we all agree that it's a small price to pay so that we can meet in person again.

We will also plan to live-stream the services going forward, for those not able to join us in person (due to COVID precautions, illness, inability to get to church, or not residing in the area).

We understand that each person will need to determine for themselves what is best, and to act accordingly.
